

Physician Advisory Committee of the San Diego Immunization Branch (SDIB)

September 1, 2010 7:30 – 8:30 a.m.
Harbor Room

Updates

Influenza

- ACIP recommendations on use of Afluria/CSL influenza vaccine in young children
- Review of 2010-2011 influenza vaccine recommendations
- CDC Flu materials
- Discussion
 - Are the recommendations for influenza vaccine in children under 9 years of age clear?
 - Do you have influenza vaccine yet in your offices/clinics? Have you had any problem ordering vaccine?
 - Do the large number of different influenza vaccine products create a problem in your office/clinic? What can we do to minimize any problems?

Pertussis

- Update on current pertussis outbreak in California
- Update on Post-partum Tdap programs in birth hospitals
- CDPH Pertussis Webinar: Thursday, September 2, 2010 12:30-1:30pm
- Discussion
 - Are patients/parents asking more for pertussis vaccines?
 - Have you immunized any family members of your patients? What would it take to do that?
 - Is it clear who should receive Tdap vaccine and when?

Current Legislation related to immunization delivery

- Vaccine reimbursement bill
- Pertussis bill
