

Tracking Temporary Medical Exemptions and Conditional Entrants

Instructions: Use this calendar to follow-up with students who are NOT up-to-date with their required vaccines. **Conditional Entrants** are children who have started a series of vaccine(s) but are not medically able to get any more doses at this time. **Temporary Medical Exemptions** are orders given by a physician and a letter stating when the child will receive their next dose of vaccine(s) must be attached to the Blue Card. Write the name of the child and the vaccine that the child must get in the month when that dose must be given to comply with immunization requirements. You can find the intervals between doses in the Blue Book pages **B-42** and **B-43**.
